Please notes some changes we have made for 2009 - We have added E Superstock Expert & Novice (based on the Ninja 250), added the Womens Superstock class (WSS) using C Superstock Rules, removed the Super Motard class, and put the 848 into all C classes. We have also worked a deal for 2009 with Lucas Oils and want to thank them for their support of WERA and WERA West!
