The weekend schedule is here - <https://www.wera.com/pdfs/eventschedule/gnfsched2025.pdf>

Entry fees are as follows - 1st class is \$150 pre (\$170 post), 2nd and 3rd classes are \$125 pre (\$135 post) and all additional classes are \$95 pre (\$105 post). The entry count does reset for each series entered. Thursday practice will run all day and is \$225 pre entry, \$250 post entry. Transponder Rentals are \$60. Online Pre Entry will close at midnight eastern on October 20th. Mailed/faxed entries must be received by the 20th as well. You can as always enter at the track – see the schedule for Registration times.

Mini races will be the normal \$30 per day and for pre entry you will need to enter once in the Sportsman event and again in the National Challenge event to be entered both days. Minis at the GNF are for fun and the event doesn't count towards any championship.

Endurance pre entry is with the National Challenge event and all fees are the same as regular season.

Gates will be opening between 5 and 6pm Wednesday. Parking will be in Lot G, you will be directed at the stop sign by the museum. We will be getting the vendors in early so they will be parked in their own line. Once the gates do open please enter in the order in which you arrived. The racing will happen later in the weekend and there is no reason to start the event off being rude to your fellow riders by trying to cut in line. Gate fees for rider/crew will be \$40. Rider/Crew bands will be sold Wednesday 5-11, Thursday 6am-11pm, Friday 6am-10pm, Saturday 6am-9pm, Sunday 6:30am-2:30pm. ALL entrants to the facility must have a valid ID. Minors must be accompanied by a parent/guardian with a valid ID.

We want to thank all the racers who have come out to an event in 2025 – we are happy to have been able to provide you with racing all across the US once more and we are looking forward to 2026 – think about bringing a friend to start racing and get them off the street if they are “really fast”. We will continue the discounts on the rider's school and the first time licenses in 2026 in an effort to encourage riders to become racers!
